

RENEWABLE ENERGY WORD SEARCH FOR OUR MINI MEMBERS

RENEWABLE ENERGY SOURCES WORD SEARCH

The electricity that powers our homes is generated by a variety of fuel sources, including renewables. Renewable energy comes from natural resources, like the wind and the sun. Can you find all the renewable energy-related words in the puzzle below?

WORD BANK:

- HYDROPOWER
- WIND TURBINE
- RENEWABLE
- SOLAR PANELS
- WIND ENERGY
- GEOTHERMAL
- BIOMASS
- GENERATION
- SOLAR ENERGY

HARVEST SAFETY TIPS FOR FARMWORKERS

- ✓ **Maintain a 10-foot clearance** around all utility equipment in all directions.
- ✓ **Use a spotter and deployed flags** to maintain safe distances from powerlines and other equipment when doing field work.
- ✓ **If your equipment makes contact with an energized or downed power line, contact us immediately** by phone and remain inside the vehicle until the power line is de-energized. In case of smoke or fire, exit the cab by making a solid jump out the cab, without touching it at the same time, and hop away to safety.
- ✓ **Consider equipment and cargo extensions of your vehicle.** Lumber, hay, tree limbs, irrigation pipe and even bulk materials can conduct electricity, so keep them out of contact with electrical equipment.

Keep Accidents Down On The Farm...

- More details, rules, eligibility requirements and the entry form are available online at www.woodruffelectric.com or visit any of our office locations for more information.

Deadline for entries is October 31, 2020

ENERGY EFFICIENCY

Energy Efficiency Tip of the Month

Clothes dryers make up a large portion of your appliance energy consumption. Clean the lint filter after each cycle, and scrub the filter with a toothbrush once a month to remove film and increase air circulation.

TAKE A LOOK ON THE BRIGHT SIDE

Security lights for homes, farms and businesses let you look on the bright side with safety and convenience. That's because you're adding protection for your family and property by removing dark shadowed areas from your premises.

Call us at 870-633-2262 for pricing options to add a security light on your property.
