Woodruff Electric Announces Lineman Scholarship Recipients

Woodruff Electric CEO, Michael Swan, announced the 2020 recipients of the High Voltage Lineman Technology Scholarship to Arkansas State University at Newport. Woodruff Electric chose two winners of the scholarship this year, Timothy Taylor, a graduate of McCrory High School and Gage Harland, a graduate of Cross County High School.

Both students will attend orientation this summer and begin classes in August. This scholarship is awarded to graduating high school seniors that are interested in pursuing a career as a High Voltage Lineman. The scholarship covers full tuition, fees and books for all 42 credit hours of the 10-month course. For further questions about the program contact ASU-Newport at 1-800-976-1676 or visit their website at <https://www.asun.edu/programs/high-voltage>.
