WOODRUFF ELECTRIC REMINDS STUDENTS OF HOLIDAY CONTEST

Woodruff Electric reminds elementary students (K through Fifth grade) to submit a holiday greeting card design. Students that attend a private, public or home school in the counties of Woodruff, Cross, Monroe, St. Francis, Lee or Phillips or in the town of Des Arc are eligible to participate.

Students are allowed to use any medium or combination of medium, which includes a drawing, crayons, watercolor, oil, acrylic paint, pastel, chalk, etc. The designs should be on an 8 1/2" x 11" paper and in a horizontal (landscape) format.

The winning artwork design will be used for the Official 2021 Woodruff Electric Holiday greeting card. These cards are mailed to friends of Woodruff Electric, Legislators, and businesses across the country. In addition to having his/her artwork featured on this year's Woodruff Electric holiday card, the winning artist will receive a certificate commemorating their achievement and a gift card.

Complete rules and entry forms are available at www.woodruffelectric.com or at any of Woodruff Electric's office locations. The deadline to enter the contest is October 31st, 2021
