

Protective Health Measures to Keep Everyone Safe

BOYS & GIRLS CLUB
OF JEFFERSON CITY

COVID-19 RESPONSE

We use stable grouping to keep members safe. Groups are limited to 16 and groups are kept socially distanced to limit any exposure.

Everyone entering a BGCJC facility is temperature checked.

Staff & Club members clean hands often, using soap and water or an alcohol-based (70%) hand sanitizer.

Each BGCJC site has dedicated sanitization staff sanitizing frequently used surfaces throughout daily service.

BGCJC staff are required to wear face coverings at all times.
