

Your 2020–2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal regulations require that before awarding federal student aid, we ask you to confirm the information you reported on your FAFSA to verify that you provided correct information. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school.

VERIFICATION OF HIGH SCHOOL COMPLETION

You must provide one of the following documents as evidence of your high school completion status:

- A copy of your high school diploma.
- A copy of your final official high school transcript that shows the date when the diploma was awarded.
- A copy of the “secondary school leaving certificate” (or other similar document) for students who completed secondary education in a foreign country and are unable to obtain a copy of their high school diploma or transcript.
- A General Education Development (GED) Certificate or GED transcript.
- A state certificate or transcript indicating that the student passed a State authorized examination (HiSET, TASC, or other approved State authorized exam) that the State recognizes as the equivalent of a high school diploma.
- An academic transcript indicating that you have successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.
- If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student’s parent or guardian, that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.
