

Breaking Word Curses

In the name of Jesus, I cancel every word I have spoken or that was spoken over me or about me by *(name the person or person's known to have spoken the word curse)* when he said *(repeat the word curse)*.

I say, in the name of Jesus, that those words are of no effect in my life. I cancel their effect on me and I break the power of those words over my life, now, in the name of Jesus. Those words spoken over me have no power over my present or my future. I call them null and void, in the name of Jesus.

(As the Spirit leads, you may wish to pray the opposite of the word curse over the person)
