SOMETIMES **FAITH** IS SPELLED... **R-I-S-K**

When David went out to face Goliath, all he had was a slingshot and five smooth stones. It looked insignificant, ordinary, and certainly nothing special. But God breathed on him, and he defeated Goliath and became the king of Israel. All Moses had was an ordinary stick, something he found on the ground, yet when he picked up that rod and held it in the air, the Red Sea supernaturally parted. Samson was surrounded by a huge army. All he had was the jawbone of a donkey. But he picked up that jawbone, God breathed on him, and he defeated a thousand men! Don't despise the day of small beginnings! Don't look at what you have and say, “I can't do anything great. I don't have a lot of talent.” If you will use what God has given you, He will multiply it! He will not only bring your dreams to pass, but He will do more than you can ask or think! Joel Osteen
