

Heritage Carbide, Inc.  
901 S Via Rodeo Placentia, CA 92870

Greetings from the entire team at Heritage Carbide.

We would like at this time to take the opportunity to thank you for your business. Whether you have been our customer for 3 months or 30 years, or somewhere in between, we say thank you for your patronage. We hope we have served you well.

As we are sure many of you can appreciate, the economy and resulting circumstances have made small business ownership very difficult in these days, particularly in Southern California. It is after much consideration and deliberation that we have come to the difficult decision that after nearly 35 years of business and 3 years at our new location, the time has come to close our doors for good.

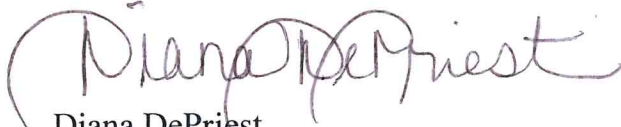

Friday, November 19, 2021, will be the last day of production, except for those orders which have already been placed with a later due date. We will spend the remaining time in the year primarily to vacate our location and permanently close the doors. If there are any local customers interested in purchasing machinery, tools or furniture, please contact us quickly, everything must go.

All payments will be able to be received through regular terms. Please mail or transfer funds as you always have with prior payments as soon as possible.

Many of you have become more than "just customers" to our staff, and we say to you, an extra special thank you, it was a pleasure to get to know you and share our lives with you. We wish for all of you a bright future and great success. We hope we have made our own contribution to your success in some small way.

Good luck, Godspeed. And again, thank you from the bottom of our hearts.

In gratitude and with kindest regards,

Diana DePriest  
CFO

Tom Gill  
Vice President, Sales

Neal DePriest  
President
