

## Patriot Team Commitment

If a player wants to participate on one of our athletic teams, he/she must commit themselves to our practices, games, or meets.

If a player has an unexcused practice or game, he/she will not be permitted to start in the next game.

The second unexcused practice or game, the player will not be permitted to play in the next game. The player must still dress for the game.

If a player misses any or all games in a tournament, it will count as one unexcused game.

The third unexcused absence from a combination of games or practices will result in the player being removed from the team.

Excused absences such as a doctor's appointment, family funeral, illness, or a curriculum related are to be approved by the athletic director.

In Track or Cross Country a player will be removed from the team if they reach a combination of 3 missed practices or meets.

All athletes must have a Physical Examination Form dated after May 1, filed in the school office before a player's first game.

Athletes are required to pay for unreturned uniforms or uniforms that are stained and unusable. There is a \$75.00 cost to replace a uniform.

Every family, with a student participating in a sports season at St. Peter, is required to assist by working 2 duty slots during their child's season. This could be at the concession stand, score table, clock, set-up, clean-up, tournaments hosted by St. Peter, etc. We also ask families to donate items for our concessions.

I have read the above rules and discussed them with my child:
