

Members,

We have been monitoring the news on the Coronavirus. We want you to know that the welfare of our members and your employees is our top concern.

Currently, the Oklahoma Trucking Association is taking a cautious approach to our meetings and events.

As we see many events cancelled or postponed in the state and across the nation, we want to update you regarding some of our future events:

- We are anticipating an April 16th Board of Directors meeting to be a Conference Call with a streamlined agenda.
- The continuation of the scheduled April 20-24th NATMI class will be determined by NATMI organizers.
- TMC SuperTech Competition is still scheduled for Friday, May 1 at the Francis Tuttle Reno Campus HOWEVER it *could* be cancelled in the near future because of potential school closings and many Allied members are on travel restrictions. Please stand by.
- Truck Driving Championships is still scheduled for Friday-Saturday June 5-6.

We will continue to monitor this situation closely and decide if we need to alter more events in the coming days.

We encourage our members to be proactive and urge your employees to take safety precautions. Here are a few links that will give you tips and up to date information on the Coronavirus.

To find accurate, Oklahoma-specific information on COVID-19, please visit the OSDH website at [HTTPS://CORONAVIRUS.HEALTH.OK.GOV](https://coronavirus.health.ok.gov). The site contains a number of guidance documents on prevention, symptoms, testing, Spring Break travel and more.

Email questions about COVID-19 to COMMISSIONER@HEALTH.OK.GOV. A dedicated COVID-19 Call Center is available at 877-215-8336.
