Personal Essay

As Indigenous Peoples we come from a tradition of storytellers. This personal essay is an opportunity for the College Horizons staff to get to know you. Who are you as a student, friend, relative, athlete, performer, worker, etc.? What are you like in your home? What are you like in your school? What are you like on TikTok? How do you see yourself as an Indigenous person, student, etc.

Consider including any of the following in your personal essay, but be sure to tell us how you are connected to or involved with your Native/Indigenous heritage, culture, and community, homelands/villages, or Nations and how a college education might benefit you, your family, your community, and future generations.
