

COMMUNITY SUPPORT PETITION

In witness whereof, the undersigned organizations and individuals support Housing the Community Jefferson City's application for approval of a Planned Unit Development (PUD) for the proposed Resource Center and Emergency Shelter located at 107 Adams Street, Jefferson City, Missouri.

We believe this project will provide critically needed services for individuals experiencing homelessness while strengthening our community through coordinated outreach, access to housing resources, and safe emergency shelter. We respectfully urge the Jefferson City Council to approve the Planned Unit Development application.

By signing this petition, I affirm that I support approval of the Planned Unit Development application for 107 Adams Street and respectfully encourage the Jefferson City Council to vote in favor of this proposal.

In witness whereof, the undersigned affirm their support of this application by signing below.
